EXTRAS / ACCESSORIES - **POWER**

10A charger. It will take 3 hours to charge one BeTriton battery from 0-100%

Stromkiste powerbox. It will take only 45 minutes to charge two BeTriton batteries from 0-100%. Inductive phone charging, USB type C charging, 220V AC output, direct solar panel charging. More on AKKU Energie Systeme [website](#).

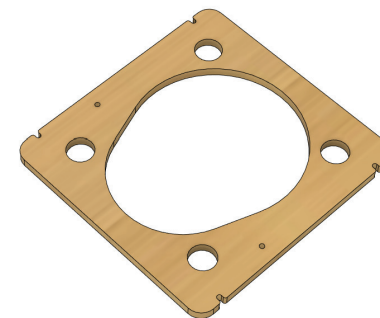

EXTRAS / ACCESSORIES - **CAMPING**

Folding anchor with rope and pouch.
Perfect for parking BeTriton on water and staying overnight.

Mosquito net / shade. Works with mid and top spec of BeTriton eTrailer. Attaches to the roof. Has a zipper on both side for easy access

Toilet ring. Works only if you have ordered two BeTriton seats as this toilet ring attaches between the two seats. Standard camping toilet bags fit in.

Custom shape sleeping mat. It's pre-cut to fit BeTriton's floor. 190 x 97 x 1.5 cm

Heated blanket. Plugs into the BeTriton's 12V socket. 48W, soft warm flannel, 100 x 75 cm. Perfect for cold camping nights.

Table top. Works only if you have ordered two BeTriton seats as this table top attaches between the two seats.

EXTRAS / ACCESSORIES - **MERCH**

BeTriton T. Black and white colours. This Unisex Staple T-Shirt feels soft and light with just the right amount of stretch. Sizes: XS, S, M, L, XL, 2XL, 3XL, 4XL, 5XL

Stainless steel water bottle with a straw lid. This roomy 32 oz (950 ml) water bottle is ideal for long days and active lifestyles. The wide-mouth foldable straw ensures spill-free drinking while on the go, while the rotating handle makes it easy to carry.

BeTriton cycle cap. Hand-crafted by a designer in Latvia. Sizes S, M, L.
